

# Rose Creek

## Product Specifications

**Model number:** COMM-1ROSEC  
**Child Capacity:** 33 to 38 children  
**Age Range:** 2 to 12 years  
**Safety Zone:** 33' 3" x 28"  
**Fall Height:** 60"  
**Post Diameter:** 3.5"

**ADA Compliant** ✓

**Elevated:** 8 components  
**Ground Level:** 3 components

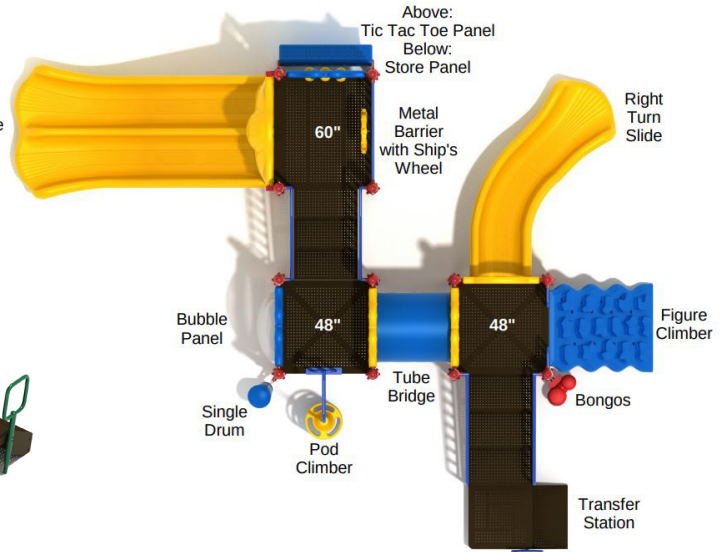

**Primary Colors**

**Neutral Colors**

Double Slide

MEETS NATIONAL STANDARDS FOR:

✓ ASTM F1487-17

✓ CPSC GUIDELINES #325

## Product Description

With so much to see, do, and interact with on the Rose Creek play set, children will have the time of their lives exploring all of the different aspects. They can be a sea captain charting a course across the ocean on the Ship's Wheel located on the upper deck while their crewmates can assess the underwater scene through the Bubble Panel. A Tube Bridge adds an extra element of fun as they must crawl their way through if they want to reach the Double Slide for races with friends or even develop problem-solving skills with the Tic Tac Toe Panel. For children who love music, the Bongos and Single Drum will give them the opportunity to set the soundtrack for playing on the Rose Creek.

There are multiple options to scale the equipment too. Kids can choose the easy path on the Transfer Station, opt for the more challenging Pod Climber, or enjoy the adventure of using the Figure Climber to get to the top before using the Right Hand Slide. There's even a Store Panel for imaginative play at the store with food or other products from around the playground.
